INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION, INC.

1903 - Present

Welcome to this IHSAA tournament event. It is one of 1,245 tournament events hosted by the IHSAA and its 408 member schools during this school year. These tournaments are spread over 10 sports for boys and 10 sports for girls. Approximately 160,000 boys and girls in Indiana high schools will participate this year in IHSAA sports.

We appreciate your support of our young people participating in this tournament. These young people have devoted much of themselves in preparation for the contest. Whether they win or lose, they will have gained much from their efforts. Please help to make their experience more positive by exhibiting good sportsmanship during your attendance. We would hope this would be reflected toward the competitors, the IHSAA assigned officials, coaches, tournament administrators, and spectators.

Security: To ensure the safest and most secure atmosphere for our IHSAA events, tournament management will diligently maintain established security procedures and activities. This will require complete cooperation by all competing teams, contest officials and fans. Security will always have priority over convenience; therefore, all individuals are requested to promptly cooperate with event personnel in any manner. Your assistance will enable tournament staff to fulfill its responsibilities efficiently.
